

# Support Westminster Home Connection

We appreciate gifts of any size at any time of the year. Right now, there are two unique opportunities to financially support our mission.

1. All gifts in April and May will be **matched up to \$20,000**.
2. **The Big Payback**, a 24-hour giving event hosted by The Community Foundation of Middle Tennessee, begins at 6 p.m. on Wednesday, May 4. To make a donation, visit [TheBigPayback.org/Westminster](https://TheBigPayback.org/Westminster). Gifts through The Big Payback count toward the match.

You also may donate online at [WestminsterHomeConnection.org/donate](https://WestminsterHomeConnection.org/donate) or mail a check to 3900 West End Avenue, Nashville, TN 37205.

Thank you for your support!

# Neighbor Helping Neighbor

SPRING 2022

# Neighbor Helping Neighbor

Tens of thousands of our older adult neighbors live in homes that are not safe and functional. Westminster Home Connection repairs homes, makes mobility modifications and declutters.

Your call to action – **Let's all work together!**

Join these community neighbors making a difference.

**LP Foundation, The Housing Fund, Jackson®, and CESO** answered the call with funding, and with employees to build ramps with us!

**Calvary United Methodist Church, Columbia First United Methodist Church, Cross Point Church, Kingston Springs United Methodist Church, First Baptist Lebanon, and Westminster Presbyterian Church** volunteers are building ramps and repairing homes.

# meet Ms. B.

*“What a difference you have made in my life. I have so enjoyed being able to sit in my yard and watch my birds and on the warm days I can open my door and let the sunshine in. It’s wonderful!”*

Ms. B. and her husband have lived in their home a long time. They needed plumbing, electrical, carpentry, and roof repairs plus gutters. Do you know how hard it is to find someone to do all this let alone pay for it on a fixed income? Also, Ms. B. gets around using a wheelchair and didn't have a ramp.

Westminster Home Connection made all these repairs to Ms. B.'s home, and volunteers from Calvary United Methodist Church built an ADA compliant ramp. Now Ms. B. and her husband can sit on their deck and enjoy a game of checkers or get to the car and go out.

Your volunteer and financial support empowers our neighbors to be active and live in safer and more functional homes.
